2021 FARMING GOD'S WAY TRAINING

Come and learn about Farming God's Way- a tool for equipping the poor and showing the love of Jesus through Agriculture.

This three day seminar will cover the three integrated spheres of the Farming God's Way curriculum-Biblical, Management, and Technology.

The training includes lectures and seminars as well as hands-on training experiences designed to prepare you to implement the curriculum.

We will be offering an extended vegetable training workshop August 16th-17th. The training will cost \$20 per person and cover a wide variety of topics including seedling nurseries, manure based plantings, surface composting, fracturing, garden design, rotations, raised beds, sunken beds, and compost production. This training is for those who would like to go deeper in their knowledge, understanding and application of vegetable gardening. It will take place at Str8 Up Ministries 6525 Grandview Dr. Indianapolis, IN 46260 an urban gardening plot and application site for the Farming God's Way curriculum. Completion of the 3-day Farming God's Way training is a necessary prerequisite for this training.
